Seat Belt & Child Restraint Laws - Update: This is an update and ongoing reminder of this important news item: New Queensland Road Rules (QRR) introduced in 2010. Seat belts and child restraints are in Sections 266 (rules) and 267 (exemptions). Website link: <http://www.legislation.qld.gov.au/LEGISLTN/CURRENT/T/TrantOpRURR09.pdf> Unlike as provided for in the Australian Road Rules and the rules of every other State, the Qld Govt decided to go it alone by failing to provide a seat belt exemption in our old cars for children aged **7 to under 16** years of age. Qld Govt has made it illegal to carry them in any vehicle not fitted with belts. QHMC is advocating for parity with the Australian Road Rules as done in other States and has advocated on behalf of clubs to the Qld Govt for it to conduct a review of the matter. QHMC Information Bulletin No. 1 of 2010 explains the situation in more detail. In addition, South Australia has already given historic club vehicles driven in that State a blanket exemption and QHMC has asked for similar provisions here in Queensland. Senior DTMR management has assured QHMC that the matter is now under review. Face-to-face consultation occurred in early February 2011 and is ongoing. QHMC will keep the movement informed as the matter progresses.

No-cost registration for Veterans: A QHMC sub committee is in the club consultation phase of this project and working towards developing a business case advocating for no-cost registration for Veteran vehicles. The sub committee will also consider when a 100 year rolling date might be appropriate for such a scheme. QHMC has requested more submissions from interested clubs and their members at secretary@qhmc.org.au or by writing to QHMC at 1376 Old Cleveland Rd Carindale 4152.

National Motoring Heritage Day. The third Sunday of May each year. This is the day you must take the club car out for a drive. QHMC is seeking details of club's activities for NMHD to load onto its website. So far, Bayside Vehicle Restorers Club is displaying at Ormiston House, Triumph Sports Owners Assn is conducting a major classic and sports car activity at Lakeside Park motor racing circuit ('Maclean Bridge at Lakeside'), the annual Gatton swap is on, and Bundaberg V&V Club will be conducting a display in Bundaberg.

Flood Damage Assessment. Any QHMC-affiliated club with flood or associated damage to its assets not covered by insurance should inform the QHMC committee so that an assessment can be made as to whether a one-off payment might be considered to assist in that club's recovery president@qhmc.org.au

Robert Shannon Foundation. The foundation encourages people under 30 to restore or preserve 30+ year old club vehicles. Awards can assist in the purchase of tools, restoration work, TAFE or other fees. For nomination details, go to the QHMC website www.qhmc.org.au

Web Links: Clubs have been asked to notify the QHMC Webmaster of all events they want added to the QHMC Events Calendar webmaster@qhmc.org.au Have a look on the QHMC website at www.qhmc.org.au and if your club does not have a link to its website listed, contact QHMC at webmaster@qhmc.org.au to have it loaded up.

QHMC needs a Secretary: Would you like to volunteer to perform the Secretary role in QHMC. Someone from one of our clubs must take on the role of QHMC Secretary. Please call the President on 0411.694072 or write to president@qhmc.org.au

QHMC History: QHMC webmaster/past secretary has the history section of the QHMC Handbook under review and is calling for anyone who can provide him with historical facts, figures and dates concerning the former Qld Combined Council of Historic Vehicle Clubs (renamed Qld Historic Motoring Council in 2009) to contact him at webmaster@qhmc.org.au or write to him at QHMC 1376 Old Cleveland Rd Carindale 4152.
