Report Prepared by Jason Dodge, Treasurer, Queensland Historic Motoring Council Incorporated

Special Interest Vehicle Concession Scheme guide

Conditions and restrictions

A special interest vehicle must not be used for:

- General purposes - for example, to commute to and from the registered operator's place of employment.
- For hire or reward - a fee cannot be charged for use of the vehicle, and the owner cannot receive any consideration or reward for supplying the vehicle.

You and anyone driving your special interest vehicle must only use the vehicle for:

- participating in rallies or events, including impromptu events organised by an incorporated vehicle club or events sanctioned by the Australia Street Rod Federation (ASRF).

Note:

- a rally is a social event where a parade of special interest vehicles travel together for competition or to meet at an agreed location.
- an impromptu event is an event that has been initiated by a club member, involves one or more vehicles, and is supported by an incorporated vehicle club or the ASRF.

Rallies and events(including impromptu events) must be listed in the incorporated club newsletter or on the incorporated club's website or social media page (or in another manner approved by the club or ASRF, such as the club calendar of events) prior to the event. The administrative process for supporting an event is at the discretion of an individual club or ASRF and must ensure members comply with the special interest vehicle conditions and restrictions of use.

- participating in processions for which a Special Events Permit has been issued under the *Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2015*
- exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes
- ceremonial purposes (such as weddings, formals, funerals) involving immediate and de facto family members, or as part of a sanctioned incorporated club event, provided this is not done for fee or reward. Immediate and de facto family means parents, grandparents, sons, daughters, grandchildren, adopted children and adopted grandchildren, but not extended family members such as aunts, uncles, nephews and nieces
- preparing for, proceeding to, and returning from the above activities
- direct travel to and from an approved inspection station to get a safety certificate or certificate of inspection before offering the vehicle for sale
- travel in order to have the vehicle repaired. There is no distance restriction, however, such travel must be reasonable and justifiable by the vehicle operator
- road testing within a 15km radius from the place where the vehicle is garaged or is being repaired. The purpose of the travel must be to road test the vehicle following repair or restoration, or for general vehicle maintenance and not for any other purpose. This does not include use as an everyday means of transport. A passenger may travel in your vehicle to assist with road testing—only if your vehicle can legally carry passengers.

Buses are permitted to carry non-fare paying passengers for journeys (joy-rides) from an event (for example, a fete) and return provided the length of the journey does not exceed 5km. Payment of any kind cannot be received for these journeys.

Heavy vehicles over 4.5t GVM are permitted to carry a load provided the loaded GVM or gross combination mass (GCM) does not exceed 50% of the maximum permitted mass for the vehicle configuration. This mass is based on the lesser of:

- Individual axle ratings
- Tyre manufacturer's limits
- Manufacturer's GVM or GCM
- Regulation mass limits.

If your special interest vehicle does not have permanent lighting, you must carry a removable lighting system with the vehicle at all times and use that system whenever lighting would normally be required.

Carbide lights are acceptable where that type of light was originally fitted.

2019 RACQ QHMC North Queensland Rally

By Cheryl Nott

On behalf of QHMC I would like to thank the committee and members of the host club, Mackay Vintage Motor Club Inc, on the 19th, 20th & 21st April 2019 which was held in Mackay with the Rally being at mercy college multipurpose building on the corner of Penn and Julliett st south Mackay, main entrance on Penn st with of street parking available.

Good Friday 19th April

The Morning was free

Registration was available from 1pm till 4pm at Mercy College with a welcome cup of hot coffee and hot cross buns and socialising with other entrants.

This evening from 6pm was meet and greet time at Mercy College with most entrants wearing their club shirts.

46 entrants with 13 being from South Queensland.

11 entrants from Mackay Vintage Motor Club

7 Entrants from Townsville Veteran Vintage Historic Motor Club

3 From Cairns Historic Vehicle Club

These 3 clubs share the North Qld rally.

6 entrants from the other Mackay clubs – Mackay restoration club & Mackay Classic Car Club

1 from Whitsunday auto restorers club

4 from Capricornia club

1 from model a restorer's club QLD

A variety of vehicles ranging from 1909 Maxwell

6 1920's

8 1930s

5 1940s

7 1950's

7 1960's

6 1970's

3 1980's

2 1990's

1 modern

And that variety of vehicles that travelled from South 1960's were all driven including a 1926 t model ford Toowoomba on the rally. He was traveling 80kph.

QLD ranged from 1930 to coupe from Helidon near

Figure food was served for dinner but there was a choice of 2 delicious soups, minestrone and pea & Ham soup which were very morish with beautiful tasting. The range of figure food was endless covering 3 long tables with scrumptious food, deciding which to choose from, seafood, vegetables, fruit, egg dishes, nuts & bread varieties. Then later a wide variety of deserts and slices were served. Many friendships were rekindled/renewed during the evening. The men had an opportunity to put a wooden vehicle together inside a closed in box while the ladies had their skills tested with paper hat making with socialising and what a variety of experience produced. Reusable recycling material (shopping bags) being given to winners and told an interesting story behind these bags. The evening completed after 8pm.

Saturday 20th April

Bright sunny warm day with an 8am meet at mercy college with gymkhana events – throwing various sized fan belts too various points over a witches hat for male and females which creating a lot of interest. Most successful was 4 out of 6 over the witches hat. 9:15am departed for a short city journey to a local business Porter's mitre 10 in their east carpark to display entrant vehicles for 3 hours to the public which was well support with most entrants checking out the mitre 10 store and other stores in the vicinity. I was surprised of the high standard quality of the restoration and also some original unusual vehicles. During this time there was a shed building competition and lunch with various food outlets in the surrounding streets along with a café situated within porters mitre 10 complex.

1PM Observation run to the pioneer valley hinterland around Eato, Walkinston, Eungells, garget of cane fields farming area with beautifully scenic views and magnificent homes and gardens and decorated fence with colourful painted bicycles and children's motor cars. Round trip travelling through the country side of both sides of the highway. Arriving back a mercy college 330pm onwards for afternoon tea.

Returning to Mercy College at 6pm for a BBQ dinner, which was a lot more than that. We had nuts dry banana slice, cooked fish square, variety of bread, salads and fruit, meat varieties which were very nourishing followed by desert varieties: fruit salad, apple slice, ice cream and custard, then it was time to get into the Easter spirit with everyone participating in a variety of Easter fun games and checking out your competition skills, with great socialising and strong competition between clubs with the theme Easter. Costumes or Easter bonnets getting into the spirit was a very colourful time. With the evening coming to a close after 9pm.

Sunday 21st April

Gave us a little later start 8:30am at mercy college with morning tea available with more delicious delightful food to consume with the weight going on but also there was driving skills, how wide is your vehicle? Do you want post moved in closer or not? Departed at 10am for a poker run through the industrial area near the airport and another part of the hinterland and canefields countryside travelling in a u shape back onto the highway at Sarina. Pictures mural scenes on building and the old war air raid shelters and the big toad in the park at Sarina before travelling around Sarina beaches with a picnic lunch at Grass Tree Beach on a hillside overlooking the beach with ocean views with another excellent tasting meals of wraps or sandwiches, fruit or fruit salad, fruit juices then sweets or cakes or slices. What a difficult choice at times but there was exercise involved for a good walk to the toilet or up and down the beach, some did a round trip along the beach and back a long the esplanade. Soon it was time to move onto another interesting place of interest to tour, Hay Point, Dalriple Bay, the lookout, coal loading facilities in the area before returning to Mackay.

Presentation dinner at 6pm was smart casual dress and was held at south suburban bowls club (the greens were fully covered/enclosed) and a buffet meal was served followed by the formal part of the rally (trophy presentation)
Best attended Club – Townsville Veteran Vintage Historic Motor Club
Overall Winner – Alister & Debbie Lawrence from Claremont in a 1970 ford Fairmont from the Capricorn historic motor club.

2020 Easter rally will be hosted Townsville Veteran Vintage Historic Motor Club and 2021 at cairns HVC will host and celebrate their 50th anniversary. In June 2019 Capricorn will host and celebrate their 40th anniversary.

I would like sincerely thank the committee and members of the Mackay VMC for hosting a successful rally as all of us had a marvellous wonderful terrific time with your guidance around the interesting scenic spectacular country side with enjoyable friendly program of events.

Thanks to all the entrants who attended this event as the Mackay VMC did endeavour to show us a very wide range of events to occupy us over the weekend. Many thanks for everything it was very much appreciated, all that planning and preparation and the fine days of good weather as late Sunday night it started to rain heavy lasting for four days with over 7 inches of rain. It was a delightful pleasure to attend as a QHMC representative, thank you for the invitation, hope to return to a north QLD rally in the future.

I Cheryl Nott QHMC Secretary attended this event driving a 1953 FX Holden sedan stock, known to most people as "Old Girl" as previously owned by my friend Jim Killalea till just over 3 years ago. He passed away suddenly and this was his first car for 60years. I had been the navigator for 40years now I am driving it, I had a quick learning lesson how to drive 3 on a tree column gear shift as I had only driven floor change.

Departed Brisbane Wednesday 17th April morning tea Gympie lunch Childers overnight at Merimvale then Thursday morning tea Yamba lunch Clareview arriving in Mackay a 330pm. I travelled 80kph, it was safe travelling, no accidents seen, no vehicle problems and I was not lonely travelling by myself as I have a wide range of activities, Jim and I used to do on long distance travel. I would like to thank John and Ruth Knight (Bayside Vehicle Restorers Club members) who I partly travelled with meeting for meals and accommodation. 2 days return travel arrived home Tuesday 23rd April 4pm after a great travelling time with many memories. 482 entrants attended a national hotrod show at Hervey bay showgrounds over Easter, I had seen over 100 on the road.

Expenses:

Rally - \$110

Accommodation: \$511

Fuel: 345.90 for 234.14 litres travelling 1480 miles (2470km) in 7 days

TOTAL - \$966.90

Purchased fuel at Childers, Rockhampton and Mackay only and averages 31-34 miles to the gallon. (8l per 100km)

South Queensland QHMC Rally 2019

By Cheryl Nott

Was held on Saturday 4th and Sunday 5th May, hosted by Gold Coast Antique Auto Club and called, Autorama 2019 and based at their club house at Mudgerabah. Previously Burleigh Heads Methodist Church but many alterations have been made.

Saturday 4th May

Was overcast and with rain predicted which happen about 3pm when the days' travelling was over.

Col Hayes the club president welcomed everyone on arrival between 8am and 9:30am with each vehicle having its photo taken in front of their club house with a Golden Fleece petrel bowser in the background. Then at registration meet and greet with morning tea of nourishing foods served and socialising with other entrants who own a variety of vehicles.

10am – after a short briefing it was time to explore the south Gold Coast area using secondary roads through scenic Tallebudgera and Currumbin Valley following their waterways to the sea at Elephant Rock Currumbin coastline before touring off highway through Coolangatta onto the tweed river estuary leading to the hills of Bilambil then through the spectacular Hogans rainforest into New South Wales to the Quate friendly Historic village of Tumbulgum. The Local P&C served a tasty meal at the community hall.

The afternoon was free to rest or relax or tour the South Gold Coast Area, but many took up the opportunity to visit Bill Bud's auto collection and memorabilia at Palm Beach. This is well worth a visit taking at least 60-90 minutes to check all the collection which is numerous and unusual and changes from time to time. Any QHMC affiliated club are welcome to visit the collection, please contact Bill Bud on 0409 358 888 to arrange a visit.

3pm a heavy shower of rain passed through

Arriving 6pm for a 6:30pm dinner at the Italian Australian club with Italiana theme. There were picturesque wall paintings inside of various Italian towns and a very warm welcome by friendly staff with terrific wonderful singing entertainment. With the tow tapping dance music throughout the evening. The food typical Italian and very enjoyable, scrumptious, tender. The evening passed quickly with everyone receiving an Italiana laminated placemat.

Sunday 5th May

Dawn with a clear blue sky meeting at the club rooms at 8:30 for a static vehicle display of 41 entrants. 9 visiting vehicles from 7 clubs plus 6 vehicles from Brisbane Southside Morris Minor Car Club. Vehicles ranged from 1929 to 1981 with morning tea being served before the Sunday run through the beautiful hinterland to Heinz dam. At the visitors centre a SEQ water guide gave us an informative interesting talk also a video about SEQ water to help the understand the importance of water and cleanliness. Scenic views from the valley to the mountains and the parks and picnic areas observed from the visitors centre and the dam wall viewing points. Entrants had a choice of 2 routes back to the club house for a fabulous hot lunch which was followed by presentation and raffle draws. The host club committee was thanked and Col Hayes and crew for working very hard during the last 10 months for bringing a successful rally together in a short time for which every entrant was grateful. Thank you to Gold coast antique auto club members who also helped with participating in bringing a fruitful successful rally together.

Best Attended Club for the third year in a row was Brisbane Southside Morris Minor Club.

Overall Winner – Martin Jansen in a 1929 Buick Roadster.

Martin Jansen, Cheryl Nott, John & Ruth Knight & Robyn and Barbara Hull had attended the North QLD Easter Rally in Mackay 2 weeks previously. South Queensland entrants from this rally travelled from Woodford, Brisbane, Gold Coast Area and Lismore region.

2020 South Queensland QHMC Rally will be held in Toowoomba hosted by Darling Downs veteran vintage motor club on the 2nd, 3rd & 4th May 2020 and the 5th & 6th May the club will celebrate its 50th anniversary launching a book on the club history.

QHMC would like a club to volunteer to host the 2021 Rally and please advise by February 2020 so preparation and planning can be passed on at the 2020 rally.

Thanks to all the entrants who participated in the South Queensland QHMC Rally for an enjoyable, sociable rally and having a great time. Look forward to seeing you all again in the future at another invitational rally.
